Sabbath School Lesson No. 2 for April 11, 1970
Subject: My God Is Concerned
Memory Verse: Casting all your care upon Him; for He careth for you. 1 Peter 5:7.

In these fast moving, materialistic days, men rush to grasp immediate rewards and quick profits. Many times they remain unsatisfied with their prizes. Christ was well aware of man's basic needs. In the parable of the treasure - the prize was discovered almost by accident. Certainly there was no realization of what lay concealed under the sod, but the treasure had already been hidden there. It was treasure whether the finder realized it or not. In the story about the pearl the merchant deliberately and methodically set out to find the superior pearl. When he discovered it, he exchanged all he had for it. He was very deeply concerned for what he regarded as of a supreme value.

In the episodes of the wise men at Christ's birth and of the Greeks immediately before His crucifixion, Man's guest for the Saviour is epitomized. We find when we seek, these basic truths that God has supplied all we need and that if we seriously and continuously - search we shall find, are painted by Christ in bird plunes and lily fragrance.

In the lesson outline there is listed 6 parables. Each parable brings out in a marvelous way how God is concerned about all that concerns his earthly children in this life and in the life hereafter. Matt. 13:44 speaks of the treasure trove, the one who wishes to obtain it must be willing to give up everything to possess it. Matt. 13: 45 — The merchant men represents those who sincerely desire the truth. True zoodly pearls, Matt. 13:45 teaches We are not redeemed with corruptable things but with the precious blood of Jesus. Yes, He gave His all for us at Calvary. John 12:20-22 tells us of the wise men of old who came from the east during the life time of Jesus to seek Him as the true treasure and pearl of great price, and the Greeks who came from the west saying "We would see Jesus." John 12:24-25 preceded these words of Christ: "He that loveth his life shall lose it, and he that hateth his life in this world shall keep it unto life eternal." The grain of wheat falling into the earth represents man's death and Christ's death and resurrection, Matt. 6:26-29 — Again we are reminded of God's concern for us in this parable. Christ names 2 object lessons from nature which He used to illustrate the lesson of trust and His great love and concern for us.

WHAT'S ALL THIS LOOSE TALK ABOUT TIGHT MONEY?

The government's anti-inflation program is certainly in the news these days. So much so that it's become a favorite topic of conversation. Everybody, it seems, is talking about "tight money."
Well, just how tight is money, anyway? If you're a giant corporation that wants to borrow several million, it's very tight indeed. But if you're an individual who needs a personal loan for a sound purpose, that's another story. Because despite all the loose talk about tight money, Fidelity has money to lend. You can get it for needed home improvements, taxes or any real family requirement.
So if tight money has you in a bind, come to see us.
Chances are we can help.
